FAITH IN GOD

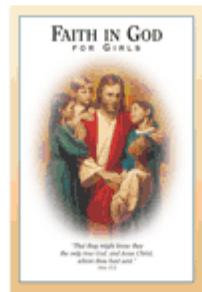

Don't forget why we do Activity Days and Scouting. Faith in God allows us to show and help our boys and girls to live the gospel in their daily lives.

Identify the gospel purpose in each activity, point it out briefly and bear testimony in just a couple of short sentences.

This can easily be done during Activity Days, Cub Souts, Sharing time, Music Time and even during class time!! Utilize these moments to share the spirit with these kids!!

Usually conferences are the 4th Sunday. Please check the stake calendar at lds.org for dates.

We are **EXCITED** to visit with all of you!! Page 2
