# Family History in Primary

Ideas for Primary classes, sharing time, opening/closing exercises,  
Music time, Activity days & Scouting

## Connect Family History to the Temple.

These children are preparing now do baptisms for the dead when they turn 12 years old. The teachings received in Primary can help the children understand and be worthy to participate in baptisms for the dead.

This past year in Clark Fork, Primary children participated in a scripture challenge. Every Sunday each child marked their progress on a poster within an outline of the Salt Lake Temple. When they met their goal, they made a visit to the Spokane Temple, had a tour of the grounds by a temple worker, and touched the temple. It was a memorable day for everyone.

## MUSIC LEADERS

The first quarter of the year, if the sunbeams aren't quite ready to join the rest of the Primary for singing time yet, perhaps the music leader could sing with them instead! A couple of wiggle songs could be sung just for fun and movement, plus one verse or even just the chorus of the monthly theme song. The music leader could go to the classroom until sunbeams are ready to join the regular singing time, even if only for the first couple of songs. When the sunbeams come in, welcome them with a song they know. This and other ideas for the littlest primary children are found at <http://www.sandpointstakecommunications.com/music-leaders-packet.html>

## Day Camp Dates Announced!!

JULY 6, 7, & 8th

Please spread the word to Cub Leaders and Parents so all can plan to attend. The Council chose July because of conflicts with Youth Conference in June.

As Cub Scouts is Activity Days for boys, remember to use the Faith in God Pamphlet along with BSA materials. The Faith in God Pamphlet is available online <http://www.sandpointstakecommunications.com/cub-scouts.html>
