## *Prioritize the Temple and Family History in Primary*

How can we point Primary children toward the temple and family history? What ideas do you have for Sharing Time? Activity Days? Music? Cub Scouts? Nursery? 11 year old Scouts? Primary Classes?

# “Have You Been to the Temple?”

When the Primary Presidency in Newport simply asked “**Have you been to the temple?**”, children were anxious to share. Some had been sealed to their family as first time attendees or adopted children. Many had been to the Spokane Temple grounds or even touched the outside of the temple. A few had been to a temple open house before the recent Idaho Falls or Meridian Temple dedications last fall.

When teaching a Sharing Time on temples, it was pointed out that just like temples don't all look alike, our bodies are temples and we look different from each other too.

The children were each given a picture of a temple from around the world.

This year after discussing temples in Primary, Sister Hoffman is thinking of prompting the children to participate in their own Family Home Evening on temples.

## Pictures from Klondike?

We'd love a description and pictures from Klondike 2018 to add to the newsletter and website. Please include the [internet permission form \(click here\)](#) for each scout pictured.

## Plan Now for the Primary Program:

Have you scheduled the date? *Please let the Stake Primary Presidency know so we can get it on the Stake Primary Calendar (click here).* It may seem like a long time away, but it's best to coordinate dates early with the bishopric/branch presidency. Please try to avoid the 4th Sunday so that we may attend.
