Daily Care for Plants & Spirits

Sister Blackmore connected faith with growing plants during a recent ward conference in Bonner's Ferry. Like plants, our spirit needs daily nourishment to grow. Children planted seeds, then were given an assignment sheet for 10 days of sunlight, water, prayer and scripture study.

Cub Scout Day Camp is July 6, 7, & 8

Local Field Trips and Ideas

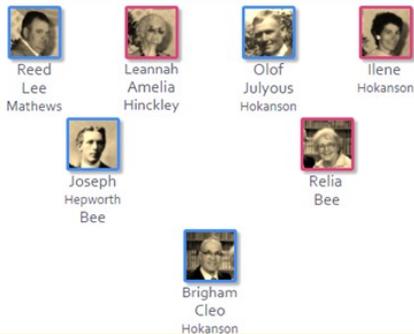

The Sandpoint/Sunnyside Bears Den enjoyed a hike up Mickin-Nick. Their experience is shared on our new page, Local Field Trips & Ideas. See slideshow by clicking here and choosing Bears Ideas. We'd love to post your adventures. Just let Sister Kopsa know.

The BSA also offers a Summertime Pack Award for packs who have an activity during June, July, and August. Cub Day Camp meets the requirement for a July activity. A hot summer evening is the best time for a Rainwater Regata or a pack gathering at the beach. Click here for the Summertime Pack Award application and details.

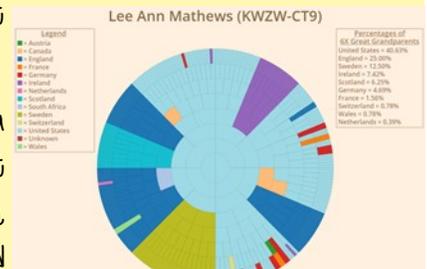

Pedigree Pie & AncestorGuru.com

Where did your ancestors come from, anyway? You can view the percentage of your known ancestors by country using Pedigree Pie. This and other views and games are available through the BYU Family History Technology Lab at <https://fhnt.byu.edu/#/>

Suggest the online games at AncestorGuru.com as a good Sunday activity to help children love learning about their ancestors. Scrambled Tree, Memory, Life's Journey, and Fast Photo are all fun ways for Primary aged children to get familiar with their ancestors.

You might send home an email or written invitation to parents. Schedule an Activity Days or Cub Scouts time in the Family History Center. Invite a Family History Consultant into Sharing Time or a Primary class.
