Meridian Temple Dedication, Nov 19

The recent temple dedication is a wonderful opportunity to discuss temples with the children. You might discuss when and why children can attend, show pictures of the inside, and discuss Faith in God requirements. The Meridian Temple is a large temple, similar to the Cardston, Alberta Temple. Pictures of the inside can be found [by clicking here](#).

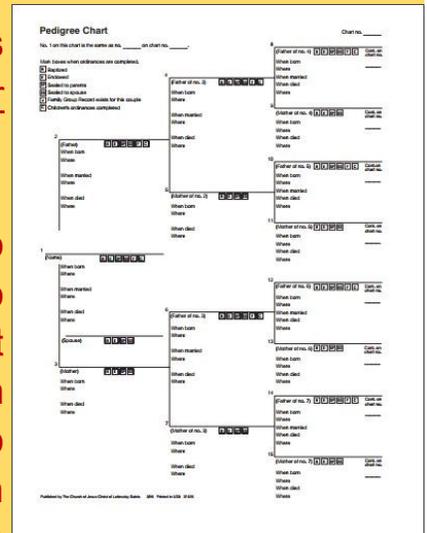

Your Primary Programs were beautiful!

Thank you for letting us feel the Spirit through your Primary Children!

Faith in God and Family History

Did you realize that preparing a pedigree chart and family group record is a Faith in God requirement? (See pg 7 of the Faith in God pamphlet for both boys and girls)

Cub Scouts, Activity Day Girls, Primary Classes can be an opportunity to introduce the children to the Family History Center. Perhaps make two appointments for the class with a Family History Consultant. The first could be an introduction where you show and tell about your family on Family Search and give homework to take a paper pedigree chart home to fill out with mom & dad. The second appointment could be for children could log in with a parent's user name and password to explore their own family tree and even write a paragraph about an experience with their grandparents. Maybe even invite mom & dad to visit too!

Click Picture for a Link to Pedigree Chart from LDS.org

CHARTER STATUS

Thank you for EVERYONES hard work to finish up Charters!! We only have a couple that still need attention! THAT IS! AMAZING!!

The turn in date was NOV 17th.

So, Please work hard to get yours in, so the Spokane Office can get those entered QUICK!!

THANKS FOR ALL YOU DO!

We know this is still a few months away...But we wanted you to get this on your Calendar!
