

MEMORANDUM

August 21, 2019

RE: SANDPOINT HIGH SCHOOL AREA SEMINARY INFORMATION

Dear Parents and Leaders of Seminary Students in the Sandpoint Area,

We're looking forward to the start of Seminary on Monday, September 9, 2019. In our continuing effort to make our seminary classes more available and convenient for our seminary students and their families, we have added an additional afternoon release time class on A days to supplement the release time class we have traditionally offered on B days. We have also reached an agreement with Mountain West Bank to hold one of our release time classes at their building, which is very close to the high school.

Because of the recent changes, we wanted to send you this letter summarizing the classes available, who will be teaching those classes, and where and when those classes will be held. Here is an exhaustive list of the options for seminary students in the Sandpoint area this year:

1. Regular Early Morning Seminary for Freshmen and Sophomores. This class will be held in the Primary room at the Stake Center at 6:30 every school day. The class will be taught by Elder and Sister Partridge, who are CES missionaries serving in our area.
2. Regular Early Morning Seminary for Juniors and Seniors. This class will be held in the High Council room in the Stake Center at 6:30 every school day. It will be taught by Brother Robbe Redford of the Sunnyside Ward.
3. A-Days Release Time Seminary for all age groups. This class will be held at the home of Sister Marla Rogers for the fourth period on A-Days, the exact time to be announced. Sister Marla Rogers will be the teacher.
4. B-Days Release Time Seminary for all age groups. This class will be held at the Mountain West Bank building for the fourth period on B-Days at the high school, the exact time to be announced. Elder and Sister Partridge will teach this class.

We were able, this last week, to get the high school to recognize our additional A day classes in their schedule (although it is not in their algorithm for this year). But if a student has signed up for either release time class, he or she should check with the counselor to be sure the schedule is squared away, since they may have been automatically placed in the B day class.

To help answer any other questions and to finalize class assignments, we have scheduled a meeting for the parents and students from Westmond, Sandpoint, and Sunnyside for Sunday, August 25, at 5:30 at the stake center. At this meeting, parents will also have an opportunity to coordinate rides with other students and parents. At that meeting, we will also discuss details about attendance at the bank

building (including the address and room number), seminary graduation requirements, and other seminary-related questions. All students and parents in the Sandpoint area are invited.

We look forward to another wonderful year of seminary and look forward to seeing you at the meeting. We are trying to get this letter to everybody, but you know of anybody we may have missed, please help us spread the word.

Best regards,

Sandpoint Stake Presidency
