

# Sandpoint Stake Primary Music Newsletter

September 2015

Dear Music Leaders,

I continue to be strengthened by the Primary music in our stake, and have Primary songs in my head all week. I wish you could all visit other wards and branches with me. Primary music is the best!

Seeing the Children's Sacrament Meeting Presentations, meeting with presidencies during ward or branch conferences, and chatting with the music leaders this fall is such a treat.

Love,

LeeAnn Kopsa, President  
Sandpoint Stake Primary

## IDEA SHARE

This month we are highlighting great ideas from two wards we visited with this summer. (Don't worry, I ask permission before I take pictures.)

### Westmond Ward:

Sister Elina Schultz, the 2<sup>nd</sup> counselor, was substituting in music time like an old pro. Later we learned it was her first time ever. She said to prepare she read the music leader's packet. WOW!

**Clue Review:** She put on an apron with song clues in each pocket (the heart was reserved for herself). For instance, the letter 4 reminded the children of the 4<sup>th</sup> Article of Faith. She chose children who were being reverent or singing well in the previous song.

**Faith in God:** After singing the song, several children passed off the Article of Faith. The entire back wall records their performance. They can also show that they have memorized one with their teacher or after Primary with a member of the presidency.

### Bonner's Ferry 2<sup>nd</sup> Ward:

**Jeopardy Review:** To review songs, Sister Darlene Schnieder placed categories of game cards on the board, each with a hint on the back.

For Junior Primary, she added pictures of the categories. The children could choose songs about Actions, the Savior, Prophets, or Me.

**Pointing Hello Song:** Sister Schnieder had a new twist on this old favorite. As all the children sang the Hello song, she pointed to a single child to sing "Hello" each time. The children loved it.

She gave them another choice to have all the boys stand and sing the first hello, while all the girls stand to sing the echo, which also is a great idea.
