

Self Reliance Services

Find a Better Job For those who are looking for work or a better job. Group members will learn to identify opportunities, network, present themselves professionally, and prepare for job interviews. They will also set goals for contacts and interviews.

Personal Finances For those who want better control over their finances. Group members will learn how to eliminate debt, protect against financial hardship, and invest for the future. They will create a financial plan and follow a budget. Spouses are encouraged to attend together.

Education for Better Work For those who need additional education or training to get a job. Group members will research, create, and present career and education plans. They will also spend time each week practicing skills that will help them be more effective learners.

Starting and Growing My Business For those who already have a business or resources to start a business. Group members learn the traits and skills of successful small business owners. They practice record keeping, marketing, and cash management. They will talk with business owners, customers, and suppliers, as well as develop plans to grow their business.

Making changes in our lives requires faith and effort. For you to make progress, you need to be committed to do the following: o

- Attend every week (typically 2 hours each week for 3 months).
- Act on commitments during the week.
- Encourage others in the group to succeed.
- Do about 4 to 10 hours of work weekly outside group meetings.
